

LEISURE SUIT LARRY GOES LOOKING FOR LOVE (IN SEVERAL WRONG PLACES)

Even you purchased the game game and got a handbook as PDF, the quality is sometimes very bad. So I give you the original hint of Al Lowe.

If you have the game version 1.002.000, you also can use for all girls the number 555-0724.

If you use this number you are in the cheat modus and can use the commands. Look at
