

Arcada

If you type nothing and press enter, your name will be Roger Wilco

0 0

Left, left examine man and **take keycard**

1 1

Return to the cartridge room and wait for the scientist. Listen to his words, for example „astral body“ and go to the console.

2 3

Enter the same word, wait for cartridge and leave. Save

5 8

Left, left to the second elevator. At the dead man lying in front of the door you can typ „scott“ for an esteregg. Left, enter the elevator. Save

Watch for guards! Left. Go console in the back and **Press Open**

2 10

Left. If you hear footsteps hide behind the elevator. **Use Keycard** at the panel left of the elevator.

2 12

Go to the two buttons. **Press left, Press right. Take Gadget** (left),
Take Suit (right)
Go to the panel, **Press Airlock**
Leave left

2 14

2 16

Push Platform, Fasten Seatbelt, Close Door, Press Power
Press AutoNav
Pull Throttle
 In space

1 17
 2 19
 15 34

Easteregg

Save first! Then type **Press Don't Touch**. You are in Kings Quest I, hear Ken and Roberta out of the castle ... and you are dead.

Kerona

Remove Belt, Take Kit, Exit

Stand in front of the pod, **Take Glass**, right, right. You **can take** plant (green bush), but no points, right, path up

2 36
 3 39

At the bridge behind the rock **save**. Type **Push Rock** and wait, until the spider is on the marked position. Then press enter.

5 44

Left, follow the path and find elevator

2 46

Take Rock and no points

Go tot he back wall and go over the grid.
Put Rock On Geyser.

4 50

Through the door, to the back, left. **Use Glass** on laser. Follow the pink path, **pass the green drops**. At the area with the grid **Turn on Gadget**. Go right, hear the

5 55
 3 58

hologram and reappear on the surface

Go the way back to the ground and go one north. Type **Look in kit** (if you didn't do it before). Then type **Throw Water** (don't enter it) and enter the cave right.

Press enter, when you see the Orat. He explodes

Take part, which appears after he exploded.

5 63

2 65

Go the way back to the hologram and **Drop Part**. Leave through the triangle.

10 75

In the background you see a console.

Insert Cardridge.

Remember the number **6858** (wasn't that also the number of Sierra Online in Larry EGA?). **Remove Cardridge**.

SAVE, before you enter the skimmer.

5 80

5 85

You can skip the game, but you miss points. Save, if you don't see rocks. Finally arrive in Ulence Flats

25 110

Take Key, Exit Skimmer. Ignore the first offer of the guy. Go in the bar and return. Take the next offer with the jetpack. Answer **Yes**.

5 115

In the bar you can see the Blues Brothers or ZZ-Top (... and some green guys) Go to the right end of the bar. **Beer, Drink Beer**, do it three times.

Remember the sector **HH**.

5 120

Use the slotmachine to earn 250 buckazoids. **SAVE!** Three skulls are your dead.

Leave the bar to Droids B Us and buy the white droid, stairs up, right.

Buy Robot. You can go on the left side of the shop and **Take Leak.** If you lost all your money, here you can find 5 buckazoids.

4 124

Go left from the bar to Tiny's Used Spaceships. Buy the white ship in the next picture to the north.

Climb Ladder, Press Load. Enter sector HH. Enjoy the flight to the Deltaur.

4 128

25 153

Put on Jetpack (or not, but save). Exit Ship.

Glide to the middle of the door and **Open Door.**

Don't fly to high, otherwise you will be shot. In the ship try to open the door, then stand at the side and wait for a robot and exit.

1 154

Push Trunk, Open Trunk, Put Jetpack in trunk, Close Trunk, Climb Trunk, Open Vent, Climb in Vent. In the vent climb up and next right, then climb up again and leave the vent. **Open Trunk, Climb in Trunk.**

After a time you change the room.

2 156

1 157

Exit Trunk, Again Close Trunk, Climb Trunk, Open Vent.

Return and then **Climb Down, Open Machine, Enter Machine.**

After the washing you wear a new uniform and can exit through the door.

2 159

1/5 165

Go to guard and **Talk to Guard** until he ask you, wether you own Kings Quest I.
 Answer with **Yes**.
 After that **Kiss Guard**.
 Take the left elevator.

1 166
 5 171
 1 172

Left, elevator, three times right, **SAVE**.
Look in Suit. Go to the counter and **Show ID**. Go to the front of the counter and typ **Take Grenade**. Take your weapon and leave.

1 173

Go left and at the center type **Drop Grenade**. Go back tot he counter and **Take** second **Grenade**. Go left to the elevator, stumble and **SAVE**. Since now you have to use the weapon. At changing the scene put your finger on F6 to fire imideatly. Use the elevator.

8 181
 1 182

Go left, left. Save!! At the Star Generator Take Remote from guard.
Press Button, Look at Panel,
 Enter the code **6858**. Save.

3 185
 3 185
 13 198

Go left and use the first elevator. If there is a guard, finger on F6 and exit elevator. If you want 205 of 202 points leave to the south. Save, follow the way until you can shoot one guard.

3 201

Return to the two elevators and take the right one. **Enter Ship**.
Launch.

1 202
 3 205

I think, 205 of 202 points is the biggest **Easteregg**. I didn't found any walkthrough with this ending.
